

What is the Colour of Your Soul?

What are the Rays of Energy that colour your being?

This class is designed to assist you to discover your own personal Ray Make Up – the energy underlying your psychology and astrology.

All of life is comprised of the Seven Rays of Energy and they colour your Soul and entire Personality too. Every person is distinct and unique, with different inherent traits and tendencies that define our strengths and weaknesses. Understanding them in ourselves and others is empowering and helpful in relationships at home, at work, and in life generally. No matter what your profession or life situation, you will find this information immediately applicable in your life.
